Dear Jason,

Congratulations on the publication of "The Braking Point: America's Energy Dreams and Global Economics Realities", co-written with Mark Stansberry. I enjoyed reading the article which briefly discusses concerns upon which the book focuses. There is no doubt that the book will have a substantial impact upon the oil and gas industry as well as other private and public sectors. I want to extend my best wishes for you and all your future endeavors.

Sincerely,

Kathy Taylor
