

Alliance Member Authors Book On Energy Realities

Alliance member **Mark Stansberry**, Chairman of the GTD Group in Edmond, Ok., has authored a book about energy issues.

Stansberry wrote *The Braking Point*, with **Jason Reimbold**, Vice President for Thesus Group.

The book covers the concept of peak oil production, understanding the past reactions of the member countries of the Organization of Petroleum Exporting Countries, the myth behind Big Oil, the world's thirst for energy and the braking point.

The book is published by HAWK Publishing Group, and can be purchased by calling (918) 492-3677.
